BILLING SCHEDULE

Blackbaud Tuition Management will email your monthly bill 10 days before your selected payment date. The first bill of the academic year is sent in July. Late charges are assessed on unpaid balances before the next billing. If there is no balance due and no transactions during the month, a bill will not be sent. Payments for incidental charges are added to your Blackbaud Tuition Management account.

FINANCIAL ASSISTANCE

Financial Aid awards at Stephen's and St. Agnes are based upon need as determined by the impartial judgment of the school and TADS. Financial Assistance decisions are independent of admission decisions. Parents may review Financial Assistance application information on our website at sssas.org in the Admission section, or from Jill Iverson in the Admission Office at jiverson@sssas.org. The school encourages parents requiring tuition assistance to complete an online Financial Assistance application, including an upload of their most recent IRS Form 1040 and W2 by November 1.

Field Trip Fees: Covers the entry and/or transportation fees associated with curriculum-required or optional school field trips in grades 9-12. The school's practice is to send a note home in advance with specific trip logistics and costs. The school does not charge field trip fees to students in grades JK-8.

Global Engagement Trips: Students in the Upper School are offered opportunities to participate in service based or course credit trips during Spring Break or early June. More information is available in October on the trips being offered. The cost of the trip selected is added to your student account less the registration deposit and spread out over several months.

Late Fees: Contracts submitted after the due date (February 4, 2024) will be subject to a \$1000 late fee, without a pre-approved deadline extension. The billing system will charge parents a monthly late fee whenever there is a balance at the end of the month. The amount of the monthly late fee will be \$40 per month.

Mini-Course Trips: Students in the eighth grade are offered the opportunity to participate in service based mini-course trips in the Spring. Last year’s trips included Puerto Rico and New Orleans. The fee pays for travel expenses, accommodations, a majority of meals, ticket and entrance fees. The charge will be billed to the student accounts in multiple installments, between October and January.

School Store Supplies and Clothes: Students are permitted to shop in the school’s store and make cash purchases or charge items to their student accounts. The school recommends that each family talk with its student about its family policy regarding use of a charge account.

Summer Reading Books: All students in grades K-12 receive summer reading lists. We encourage parents of students in grades K-5 to utilize their local libraries and students in grades 6-8 to purchase the books at a discount bookstore. For students in grades 9-12, the list will include the title, author, publisher, required edition, and ISBN Number. Students and parents/guardians are encouraged to purchase through an internet provider or at a retail bookstore.
